February 22, 2024

Dear Members of Sleepy Eye Golf Club,

I hope this letter finds you in good spirits and eager anticipation of another season of golf and camaraderie at Sleepy Eye Golf Club. Enclosed you will find the membership application for the 2024 season. If you are receiving this notice by email, please print and fill out these forms to register and pay your dues. You can drop your registration forms off with payment to the clubhouse, or mail them to our PO Box - PO Box 528, Sleepy Eye, MN 56085. Please be sure to include your email address as well as email addresses for all family members on the form, or email us at segc@sleepyeyegolfclub.com to be added to our email list. Email is the primary form of communication we use to keep you all updated on the latest news at Sleepy Eye Golf Club. You will only receive your membership forms by mail if you indicate your preference by checking "YES" on the application form.

The club is having a \$500 drawing again this year. Members can purchase a \$25 chance to win when paying their dues. This year we've earmarked the excess funds to go toward purchasing new hole signage for the golf course. We are looking to cover the remaining cost with hole sponsors, and will give members and their businesses the first opportunity at being a sponsor. The cost for sponsoring a hole is \$250 for a 12"x12" sign, or \$200 for a 12"x6" sign. If you or your business are interested in sponsoring a hole, please contact either General Manager Karl Weiss or Clubhouse Manager Jason Severson.

Sleepy Eye Golf Club will continue to utilize the World Handicap System (WHS) in 2024. By paying the \$35 fee with your membership, you are able to access the USGA GHIN mobile app and post scores from courses all across the world.

2023 was another great year for our golf club, and we have our membership largely to thank for that. As you may recall, last year's spring letter included notice of the major kitchen renovations that were ongoing at the time. In May, the renovations were complete, and the upgrades have supported the continued success of Prairie Greens Bar & Grill. This upgrade, along with the continued hard work of our staff in the clubhouse and on the golf course, falls in line with our commitment to continue providing top notch facilities for all to enjoy. While these upgrades come with considerable costs, we want to assure our membership that all improvements are being completed within our primary objective of keeping our membership rates affordable for all. We were able to maintain membership rates with a very minimal increase again this year because of your continued support of our club and its operations.

On behalf of the board of directors, I want to extend my sincere gratitude to all members who have loyally supported our club throughout the years. This is only possible with the continued commitment and support of our membership. Thank you for your patronage, and we look forward to seeing you all back on the golf course again soon.

Sincerely,

Bryant Mages

Bryant Mages, President
